**Anwendungen**
**Applications**

Messebau / trade show graphic
aufblasbare Werbung / inflatable advertising
Bühnen- und Wanddekoration/
theatre, movie, concert backdrops
Rahmensysteme / framing systems
Spannsysteme / tensioning systems
Frontlit / frontlit
Display / display
Deckenkonstruktion / ceiling construction

**Besonderheiten**
**Characteristics**

- höchste Druckqualität
  highest print quality
- kein Weißbruch
  no white cracking / crazing
- schmutzabweisend
  dirt-repellent
- luftdicht
  airproof
- reißfest
  tear-resistant
- etwas dehnbar
  slightly stretchable

* Da UV-härtende Tinten noch nachhärten, ist mit einem Schüsseln zu rechnen.
Please consider the risk of „curling" because UV-curable inks will still be hardening after a while.

All details are nominal values and are subject to change within usual tolerances (± 5%). The information provided in this document is based on current knowledge and experience. They do not exempt a manufacturer/processor from carrying out their own tests and trials as their in-house handling and manufacturing processes can have a significant range of influences on outcomes. Application, utilisation and processing of products is taking place outside of our control and are therefore the sole responsibility of the manufacturer/processor. date: 05/2016
